The City of Minburn is updating it's Emergency Preparedness Plan, primarily the way that important messages regarding disaster response and other emergency information is relayed to the public. The city will do this through use of the Dallas County's RAVE alert system which gives the ability to send important notifications via text, e-mail, or automated telephone call. WE STRONGLY ENCOURAGE RESIDENTS TO SIGN UP FOR THIS SERVICE. You can do this the following ways:

- 1.) Visit <http://bit.ly/DallasAlertlowa> and subscribe to the "Minburn" list for city based alerts from local officials (i.e. boil water orders, emergency info, severe weather, missing person.)
- 2.) Download the Smart911 App
- 3.) Text "MinburnAlerts" to 672-83
